Stop for band practice how mad Mr. B. got
But most of all history. that class was so crazy
Mr. Sword was so crazy the last day of school when you came
and talked. Remember the nervous you were and you
+ Tony got caught how scared to death. and I went
to class and your eyes were blood shot
Said that you were scared and told you that Mr. Cambell
over at the window and you got even
was over there looking for it and you're so afraid that they
more scared. and your office but they
were going to call you to the party I kept giving

CASTLETONIAN

1979

"Climb 'Til Your Dream Comes True"

Often your tasks will be many,
And more than you think you can do ...
Often the road will be rugged
And the hills insurmountable, too ...
But always remember,
the hills ahead
Are never as steep as they seem,
And with Faith in your heart
start upward
And climb 'til you reach your dream,
For nothing in life that is worthy
Is ever too hard to achieve
If you have the courage to try it
And you have the Faith to believe ...
For Faith is a force that is greater
Than knowledge or power
or skill
And many defeats turn to triumph
If you trust in wisdom and will ...
For Faith is a mover of mountains,
There's nothing it cannot do,
So start out today
with Faith in your heart
And "Climb 'Til Your Dream Comes True"!
